DIGITAL ENVIRONMENTAL SYSTEMS, INC. (DESI)
10701 Pennyback Pk. Dr. NE PH: 505-292-1022
Albuquerque, NM 87123 FX: 505-299-2902
EMAIL: STU@DESISALES.COM

ELECTRICAL PRODUCTS:

- Uninterruptible Power Supplies (UPS) (New & Refurbished).
- Generators (New & Surplus).
- Complete Substation Packages.
- Power Conditioners & Voltage Regulators.
- Power Distribution: Room & Cabinet Level.
- Emergency Lighting Systems.
- Rebuilt Switchgear and Circuit Breakers.
- Transient Voltage Surge Suppression (TVSS).
- Automatic Transfer Switches (ATS) (New & Refurbished).
- Transformers: K Factor, Isolation, Dry Type & Oil Filled.
- Power Factor Correction & Harmonic Mitigation Systems.
- Phase & Frequency Converters.
- Power Supplies.
- Inverters, Rectifiers and Converters.
- Batteries, Chargers, Racks, Cabinets & Monitoring.

MECHANICAL PRODUCTS:

- Computer Room Air Conditioners (CRAC). New/Refurbished.
- Evaporative Coolers for Enterprise & Data Centers.
- Portable Air Conditioners.
- Chillers & Chiller Economizer Systems.
- Packaged, Self-Cooled Micro Modular Data Centers.
- Full & Versatile Line of Air Management Products.

SEE OTHER SIDE

FACILITY & DATA CENTER MONITORING SYSTEMS:

- Leak Detection – Water, Chemical, Fuel Etc.
- Critical Equipment Monitoring and Alarm Notification.
- Remote Alarm Status Panels
- Enterprise Infrastructure Monitoring.
- Battery Monitoring for UPS, Switchgear etc.
- DCIM – Data Center Infrastructure Management.
- Many More Enterprise Monitoring Capabilities.

MODULAR STRUCTURES:

- Lightweight panelized, steel and concrete buildings.
- Complete turnkey electrical/mechanical enclosure systems.

RACKS/ENCLOSURES:

- Server Cabinets, Unpopulated and Self Cooled.
- Enclose Monitors, PC's, printers Etc in harsh environments.
- Various Industrial Applications
- Electrical Boxes (Fiberglass and Steel).
- Weather/Vandal-Proof Enclosures for LCD/LED signage.

CABLE TYPES:

- Audio and Communication.
- Coaxial and Twinaxial.
- Computer/Network, Data & LAN/WAN.
- Access Control.
- Fire Alarm.
- Multimedia.
- Premise.
- Security and Alarm.
- Fiber Optic.

ACCESS FLOOR SYSTEMS:

- Flooring systems available for general office and data center applications.
